

New Ashford Public Hearing  
New Ashford Town Hall  
October 10, 2018

Select Board Present: Jason Jayko (chair), Ken McInerney

Absent: Mark Phelps

Others Present: Lori Trottier, Travis Walsh, Lori Jayko, Ellis Rud, Flavia Mastellone, Jennifer Lescarbeau

Public Hearing opened at 6:08

The petition for joint or identical pole locations is to install on the northerly side of White Road one jointly owned pole P#8/3M. The pole will be installed 175 feet between existing poles, P#8/3 and P#8/4, to raise the existing electric cable to standard height by installing a mid-span pole.

Travis Walsh, from Eversource, will turn in the paperwork and make sure it gets scheduled.

Eversource will set the pole and then Verizon will schedule to move their wires, or vice versa.

The road will remain open during the process and power and phone service should not be disrupted.

Ken made a motion to approve the new pole, Jason seconded. All approved. The Board and the Town Clerk signed the necessary paperwork.

Public Hearing closed at 6:15
