Dear Town of New Ashford Resident,

We are writing to ask for your assistance. The New Ashford Fire Department is 100% volunteer run and we are on call 24 hours a day, 7 days a week, 365 days a year. We stand ready to lend any assistance necessary to you and our community for any type of emergency.

If you are able to, please consider making a tax-deductible donation to the New Ashford Fire Department. Your support will help improve our training capacities, vehicle maintenance, and other much needed equipment to ensure the safety of our volunteers and the security of our community.

We are also seeking new members to join the Fire Department. The Fire Department currently has only one town resident that serves with the Department. The majority of our members are from Pittsfield, Dalton and Williamstown. Having more New Ashford residents would help us improve our response times in the event of a emergency and better serve our community.

The majority of the Fire Departments calls are for motor vehicle accidents and medical calls which account for a total of 85% of the Departments calls. The members are trained to begin basic lifesaving medical treatment in case you or a loved one is ever in need.

If interested in joining the Fire Department please stop by the station at 6 pm on the first Tuesday of every month. If you have any questions regarding the Department, training requirements or becoming a member please reach out to us at the number below.

As the Chief for the New Ashford Fire Department, I would like to take this time to say "Thank you to the residents for the continued support of the Fire Department and our members".

Respectfully,

Chief Frank M. Speth, III
