1. Approve minutes from 7/7/2022: On a motion by Mark, seconded by Jason, the minutes from the 7/7/2022 New Ashford Select Board/MLP Meeting were approved.

2. Public Comment: None

3. Road Commissioner: Williams gave Keith an estimate of \$175,000 to add 2 inches of binder and 1 ½ inches of top on Greylock Road from the bottom to the gate, approximately 3,000 feet or \$93,000 to do from where the millings leave off to the top. The road is 19 feet wide. The culverts on Ingraham Road need to be done before work on that road. The tree canopy on Greylock Road is an issue. The Board would like a price for oil and stone for Greylock Road. Keith called about the tractor. Village will get it serviced. Keith says a flail mower cannot trim as far back as the tractor. A flail mower would cost \$4,500-\$8,500, plus rental fee of tractor. Keith will put up fence at the Town Hall and will add top soil and seed. The beavers have not been active. Keith will determine what is causing a hole in the parking lot by the Salt Shed.

4. Any other unforeseen business: The parking area on Bauer Road and the bridge on the Sugarloaf Trail look good.
There was a power outage on Smith Road due to tree damage. Mark helped clean it up and Whip City will rehang the fiber line.
The Town Clerk would like the Board to approve her administering the oath of office to elected and appointed officials by mail. Mark made a motion to allow oath of office by written letter, seconded by Jason. The motion was approved unanimously. Susan will send out Open Meeting Law and Ethics training information. The 2020 bylaw and the bylaws from the past meeting were submitted to the state.

5. Warrant: The warrant was reviewed and signed.
