1. Review Hazards from HMP: Work is on track and CMC sent an update to the regional coordinator. The Board reviewed the list of hazards from the state and determined the top hazards for the town as: flooding and wildfires, drought, winter storms, severe storms, dams, and tree maintenance. CMC will look at the actual data for these hazards.
2. Stakeholder list: CMC will invite neighboring communities to the public session, including town administrators or select board chairs, emergency response management, local businesses, non-profits, state police, and conservation officers.
3. Schedule Workshop: The work shop will be held in September 9th at 3-7 and September 10<sup>th</sup> at 8 – 12 at the Town Hall. An option will be provided for remote participation. CMC will provide food.
4. Review Timeline and Responsibilities: CMC will focus on the Hazard Mitigation Plan and will review the hazard rankings and research the data. They will go through the grant requirements, have a public session, and then the workshops.
5. Public Meeting Date: The public meeting will be August 29 at 6:00 at the Town Hall.
6. Q & A: None
7. Adjourn: Meeting adjourned at 6:40
