1. Schoolhouse Property: Steve Nielsen is in the process of building a house in town and also bought three properties behind the church: 92 Beach Hill Road, the field, and a separate parcel behind Dale Trottier's. He is using the land for farming. Mike Parsons surveyed the properties and Steve would like to make the Old Schoolhouse boundaries clear. He reviewed the survey maps with the Board with suggested property boundaries. He wants to make sure that there is room for farm equipment to access the field. The Board was satisfied with the proposed boundaries. Steve's surveyor will submit a Form A application to the Planning Board, to deed an additional ten feet to the town on the side of the property facing the church.

Next meeting September 5, 2023 following the Special Town Meeting
